SLIDE SHOW

THE BEAUTY OF MOUNTAIN BIKING

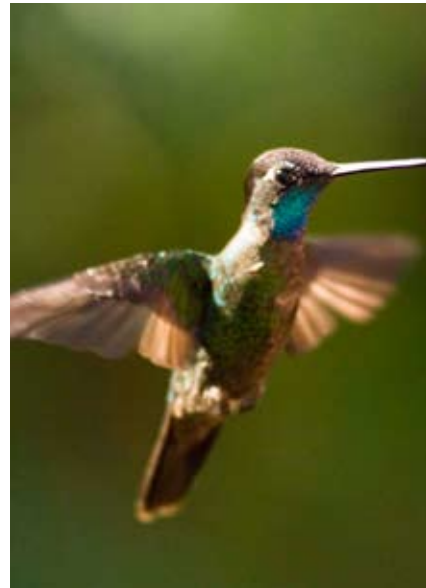

Left to right: Bringing together trained experts—seasoned pilots, experienced navigators and knowledgeable guides—WCFG seamlessly orchestrates the ultimate mountain biking adventure. Right: Feeding our big-air addiction, a “heli” (or rather, “hell-yeah”) airlift, courtesy of

Left to right: Bringing together trained experts—seasoned pilots, experienced “heli” (or rather, “hell-yeah”) airlift, courtesy of BlackRainbow Mountain. Our übershuttle dangles its precious bundle of cargo from beneath the fuselage like a baited fishing line, the perfect lure for riders
